

READY TO GET  
IN THE GAME?

HAVE A "SCHOOL OF FISH"  
THAT ALREADY GIVE BACK  
TO THE COMMUNITY?

ALREADY DONE PROJECTS  
THAT HAVE HELPED  
"BIG AND LITTLE FISHES"  
AROUND YOU?

THEN YOU ARE ON  
YOUR WAY TO  
BEING CHARITABLE!

## What does this mean?

Well, you are giving back to your community through projects like collecting canned goods during the holidays, sending cards to soldiers, or cleaning up your local park, just to name a few!

### SO HOW DO YOU KEEP TRACK OF ALL YOUR "SEA"SIONAL DEEDS?

Have your teacher go to [www.theleague.org](http://www.theleague.org) and register your class or entire school so you can see how many points you get for giving back!

You can watch your progress and see how other schools are doing as well.

NOW WHY ARE ALL THESE PACERS  
and FEVER PLAYERS, COACHES,  
MASCOTS, AND CHEERLEADERS  
FLOATING AROUND HERE FOR?  
FIND OUT NEXT MONTH  
AS WE ALL LEARN HOW  
TO BE MORE CHARITABLE!

Be Charitable.
